Central Baptist Theological Seminary

Shawnee, Kansas 66226

Reporting Year: 2014

Introduction

The “Crime Awareness and Campus Security Act of 1990” advanced campus security and safety goals in behalf of postsecondary students nationwide. The US Department of Education (DOE) is committed to ensuring that postsecondary institutions are in full compliance with this act. Compliance with the act, now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or “Clery Act”, provides students as consumers of higher education with the information they need to make informed decisions. Detailed information about this Act is available from the DOE at: www.ed.gov/admins/lead/safety/campus.html

Data for the Annual Campus Crime and Safety Report (Clery Report) is compiled each year by CBTS and the report is published upon completion of the annual mandatory reporting to the Department of Education. It is available online to the general public, current and prospective students, as well as current and prospective employees. If web viewing is unavailable, a paper copy may be obtained from the CBTS Vice President of Finance and Operations.

In addition to the posted web-based report, direct notification to prospective and current students and employees is accomplished in several ways. A notification summarizing the availability of this report (as well as other required disclosures) is included along with the application forms for student enrollment and employment. A notification is also included in student and staff handbooks. Individual notifications are emailed to the CBTS community through the web-based email system after the mandatory reporting of data has occurred to the Department of Education.

Purpose

The purpose of the Campus Crime and Security Policy is to set forth procedures to comply with the Crime Awareness and Campus Security Act of 1990. Compliance with this Act, now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, or Clery Act provides students and families, as higher education consumers, with the information they need to make informed decisions.

Reportable Crimes

Reporting of the following crimes is mandated by the Clery Act:

- Murder/non-negligent Manslaughter
- Negligent Manslaughter
- Forcible Sex Offenses
- Robbery
- Aggravated Assault
- Burglary
- Motor Vehicle Theft
- Arson
- Hate Crimes

Also, arrests and judicial (disciplinary) referrals for these categories are reportable:

- Illegal weapons possession
- Drug law violators
- Liquor law violators

Reporting a Crime

CBTS students, faculty, staff, and guests are encouraged to report all crimes and public safety concerns/incidents to the Shawnee, Kansas Police Department at 913-742-6880. Emergencies or crimes-in-process should be reported to 9-1-1. Additionally, all crimes should be reported to

the CBTS Vice President of Finance and Operations at 913-667-5730 to aid in timely reporting to the community and ensure inclusion in the mandatory compilation of annual crime statistics.

If you are the victim of a crime and do not want to pursue action within the CBTS administrative system or the criminal justice system, you may wish to consider reporting the crime confidentially. With your permission, the CBTS office of Vice President of Finance and Operations can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the incident confidential while taking steps to ensure the future safety of yourself and others. With this information CBTS can maintain an accurate record of the number of incidents involving students, employees, and visitors; determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the CBTS community to potential danger. Reports filed confidentially are counted and disclosed in the annual crime statistics for the institution.

Counseling professionals, when acting as such within the CBTS community, are not considered to be a campus security authority and are not required to report crimes for inclusion in the annual disclosure of crime statistics. They are encouraged; when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion in the annual crime statistics.

Central Baptist Theological Seminary Facilities

The Clery Act requires that CBTS report crime statistics for crimes that occur:

- On the campus of Central Baptist Theological Seminary
- On public property within or immediately adjacent to the campus

The campus of Central Baptist Theological Seminary includes all of the single building and grounds located at 6601 Monticello, Shawnee, Kansas 66226. CBTS public property includes the sidewalk adjoining the west property portion bordered by Monticello as well as the street boundary of Shawnee mission Parkway along the seminary's southern property boundary.

Campus facilities are unlocked and open to the community during normal operating hours typically Monday through Friday between 8:00 a.m. and 4:30 p.m. During non-public hours, access can only be gained by those who have been issued keys or electronic access cards to the campus facility. The Vice President for Finance and Operations maintains a record of all keys issued and all electronic access card capabilities. All employees, students, and community members are required to comply with the following campus access standards:

- Lost keys or access cards must immediately be reported to the Vice President for Finance and Operations

- Locked doors must never be propped open
- No employee, student, or community member shall lend their key or electronic access card to anyone
- No employee, student, or community member shall provide access to locked campus facilities to strangers. Unknown persons attempting access during a time when the campus is locked should be reported to the 9-1-1 operator or the Shawnee Police Department Dispatch operator at 913-631-2150
- Employees and community members are urged to keep their offices and vehicles locked when not present

The CBTS campus facility is equipped with sensor and alarm technology which, given the single-building campus format, allows for rapid alarm engagement and immediate notification of emergency responders should a fire occur. Pre-recorded commands issue evacuation instructions and further instructions are permitted in the warning system's capabilities. All stairwells and corridors lead to exits and exit trails are illuminated by emergency lighting. In the event of an audible and strobe-light alarm, building occupants are to evacuate the facility, proceed to the northeast parking area so as not to impede emergency responders, and await further instructions from administrative personnel or emergency responders. In the event of a tornado, the audible alert system will instruct building occupants to proceed to the first floor interior corridor of the facility.

CBTS is committed to crime prevention and preparing the community in appropriate responses to incidents that may occur in the seminary facility. Risk management, crime awareness, and fraud prevention are all subjects of annual training exercises conducted by the office of Vice President of Finance and Operations. The seminary works in partnership with the Shawnee Police Department to raise awareness of crime prevention and provide resource space for contingency planning by police should a neighborhood event or crisis occur.

Annual Disclosure of Crime Statistics and Timely Warning

Central Baptist theological Seminary prepares an annual report of crime statistics to include in the annual Campus Security "Clery Report". This report is prepared to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This report can be located on the CBTS website at <http://cbts.edu/topic/prospective-students/consumer-information/> The annual report is prepared in cooperation with the Shawnee Kansas Police Department and relies on its cooperation with other area law enforcement agencies. Included in the annual report is a compilation of campus crime statistics for the reporting year 2013.

In addition to the yearly statistics provided in this report and on the CBTS website, CBTS will make periodic reports to the campus community of recent crimes that represent a serious or continuing threat to students and employees or may affect the quality of life in the CBTS campus area. These reports may include crime prevention recommendations, suggestions to raise awareness regarding criminal activity, and encouragement to implement or increase personal safety and security strategies.

The decision to issue a timely warning notice is at the discretion of the President, the Vice President of Finance and Operations, or the Academic Dean of CBTS and may be made independently or in coordination with each other. A timely warning notice may occur through CBTS email, posted in selected offices and public areas on the CBTS campus, or other effective means deemed appropriate.

CBTS will develop timely warning notices to notify members of the community about serious crimes against people or property that occur on or near the CBTS campus when it is determined that the incident may pose a serious or continuing threat to students and employees or may affect the quality of life on the CBTS campus.

Campus Sex Crimes Prevention Act (CSCPA)

The federal Campus Sex Crime Prevention Act (CSCPA-Section 1601 of Public Law 106-386) amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act. In addition to the Wetterling Act, CSCPA also amended the Clery Act and the Family Educational Rights and Privacy Act of 1974 (FERPA) to allow disclosure of this information regarding students.

Sexual assault and related violations of individual rights and dignity will not be tolerated on seminary property or any seminary-sponsored activity. Student orientation educates new students about sexual assault and the seminary community has access to sexual assault awareness training through the seminary's counseling office.

A victim of sexual assault should immediately obtain medical treatment and must immediately report the incident to the Shawnee, Kansas police department. Evidence collection is extremely time-sensitive. Filing a report with the police department does not obligate the victim to prosecute but will ensure appropriate medical treatment and tests as well as provide the opportunity to collect time-sensitive evidence should prosecution occur. The seminary will assist the victim in notifying law enforcement if assistance is requested as well as make the student aware of counseling options available through the seminary's counseling office.

Services available to victims of sexual offenses include the CBTS office of Counseling and Assessment and the Metropolitan Organization to Combat Sexual Assault (MOCSA), 913-642-0233 www.mocsa.org

Any student found guilty of sexual assault in either criminal court or through a CBTS disciplinary finding may be suspended or expelled immediately. A full explanation of student disciplinary procedures may be found in the CBTS Student Handbook available from the Academic Dean or by accessing the CBTS website at www.cbts.edu

As provided in the Wetterling Act, any person required to register under a state sex offender registration program must notify the state regarding each institution of higher education in that state at which he or she is employed or enrolled and must alert the state of any changes in enrollment or employment status.

Sex offender registration information is to be transmitted from each state to the law enforcement agency where the registered sex offender resides. In Kansas, the sex offender registry is maintained by the Kansas Bureau of Investigation. The sex offender registry can be located by accessing the following website: www.kbi.ks.gov/registeredoffender/

Should questions arise concerning the sex offender registry, contact the CBTS office of Vice President for Finance and Operations for assistance.

CBTS will, upon written request, disclose to the alleged victim of a crime of violence, or a non-forcible sex offense, the results of any disciplinary proceeding conducted by the seminary against the student who is the alleged perpetrator of the crime or offense.

Violence Against Women Reauthorization Act

The Violence Against Women Reauthorization Act of 2013 requires the seminary to compile statistics for incidents of domestic violence, dating violence, sexual assault, and stalking. This amendment to the Clery Act is recent and institutions such as the seminary are required to make a good faith effort to comply with provisions of the act until final regulations are determined. Victims of new crime incident categories defined in the VAWA should follow the same reporting procedures as noted in the report section "Campus Sex Crimes Prevention Act". The new crime incident categories include domestic violence, dating violence, and stalking. The Higher Education Act defines domestic violence, dating violence, and stalking in accordance with section 40002(a) of the Violence Against Women Act of 1994 as follows:

"Domestic violence" means a felony or misdemeanor crime of violence committed by-

- A current or former spouse or intimate partner of the victim
- A person with whom the victim shares a child in common
- A person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner
- A person similarly situated to a spouse of the victim under the domestic or family violence laws applicable within the applicable jurisdiction
- Any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction

Dating violence means violence committed by a person-

- Who is or has been in a social relationship of a romantic or intimate nature with the victim; and
- Where the existence of such a relationship shall be determined based on the following factors: the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship

Stalking means engaging in a course of conduct directed at a specific person that would cause a reasonable person to-

- Fear for his or her safety or the safety of others
- Suffer substantial emotional distress
