

First Baptist Church of Abilene, Texas, is seeking its next Senior Pastor. Our church is simultaneously a traditional community where a high view of scripture guides us, and we are a moderate Baptist community that strongly supports women in ministry. We invest significant energy and resources in missional engagement in our local community, as well as partnering with the Cooperative Baptist Fellowship and the Baptist General Convention of Texas to carry out our mission beyond our community. We expect that our next Senior Pastor will hold a seminary degree, and a doctoral degree is strongly preferred. We also expect that our next Senior Pastor will have long-standing experience in Baptist congregations.
