Most valuable aspects of the RESHAPING CHURCH process

- The opportunity to grow and rediscover the vision of our church. *Iglesia Bautista Bethesda, Indianapolis, Ind.*
- Getting the congregation together as one body to openly discuss changes that had to be made. *FBC, Scottsburg, Ind.*
- The most valuable aspect of the RESHAPING CHURCH process was that it has enabled us to reconnect, debrief our experiences … and to discern ways the Holy Spirit is leading us to partner with our neighbors to bless our community. *St. Andrew’s Presbyterian Church, Charleston, S.C.*
- We feel more like a family now even though we have different skin colors, languages of origin, and cultural norms. *FBC, Waukesha, Wis.*
- Missions is a strong voice in our church. The practicality of serving neighbors surfaced early in RESHAPING conversations and is an obvious driver of our future. *FBC, Olathe, Kan.*

**Transforming Churches Into Greater Expressions of the Body of Christ**
RESHAPING CHURCH is a guided process for capturing and integrating the innovation and adaptation resulting from disruptive life experiences, transforming churches into greater expressions of the body of Christ.

The RESHAPING CHURCH program at Central Seminary, in partnership with Pinnacle Leadership Associates, brings together congregations of all kinds to join in dialogue with other pastors and churches to reflect on unpredictable experiences and process them in community. Additionally, each congregation is led by a coach through the RESHAPE process to discern and discover the unique ways God is leading your congregation toward transformation in this new season. RESHAPING CHURCH is a Thriving Congregations Initiative generously funded by the Lilly Endowment, Inc.

We used to think of church as place and now we think of it as a way of being.
