

CLIMATE AND CREATION CARE INITIATIVE

Helping faith leaders and their congregations understand, from a faith perspective, the importance and urgency of addressing climate change and providing guidance for engaging in impactful climate action.

CONTINUING EDUCATION

“Faith Leadership
During Climate Change”
Series of no-cost
webinars the 2nd and
4th Tuesdays during
September - November.
10-11:30am (CT).

ONE-DAY CONFERENCE

“Faithful Responses to
Climate Change”
September 20, 2025, in
Kansas City, with
keynote speakers from
both theological and
scientific perspectives.

CONGREGATIONAL FOCUS

“Making a Plan to Electrify”
Support offered includes
conversations with pastors
and congregational
leaders, presentations, and
guidance on making plans
to electrify.
